Shake Well Before Using

GENERAL INFORMATION: MegaPower MP can be used with a starter fertilizer, in-furrow, in transplant water, or as a foliar treatment for any crop requiring Sulfur and Zinc. Corn is the most sensitive crop to low Zinc levels in the soil. MegaPower MP is fortified with Molybdenum, Sulfur, and Zinc EDTA. MegaPower MP also consists of a dormant spore-based liquid that provides beneficial secretions to soil bacteria. MegaPower MP is intended as a supplement to a regular fertilizer program and will not, by itself, provide all the normal nutrients required by agricultural crops.

MIXING INSTRUCTIONS: Put 1/3 to 2/3 of total desired water volume in tank. **1.** Add pesticide(s) if desired and agitate until thoroughly mixed. **2.** Add desired amount of MegaPower MP and agitate until thoroughly mixed. **3.** Add adjuvant(s) if desired and agitate until thoroughly mixed. Fill tank with remainder of desired water. A jar test is recommended for evaluating compatibility of MegaPower MP with multiple product mixtures.

USE RATES: CORN: In-furrow or 2x2: 2 qt/acre. Do not use less than a minimum of 2 gallons of carrier per acre. **Foliar:** 2 qt/acre at V3 to VT. **SOYBEANS: In-furrow or 2x2:** 2 qt/acre. Do not use less than a minimum of 2 gallons of carrier per acre. **Foliar:** 2 qt/acre at V3 to R3. **Aerial:** 2 qt/acre with a minimum of 2 gallons of carrier per acre.

NOTICE: Application of fertilizers containing Molybdenum may result in forage crops that contain levels of Molybdenum that are toxic to ruminant animals.

WARNING: Harmful if swallowed. Wash hands, forearms, and face thoroughly after handling. Do not eat, drink, or smoke when using this product. **If swallowed:** Call a poison center or doctor/physician if you feel unwell. Rinse mouth. Dispose of contents/container at a licensed hazardous waste facility in accordance with state and local regulations. **Keep out of the reach of children.** See safety data sheet for further details regarding the safe use of this product.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage and disposal. Store in a cool, dry, locked area out of the reach of children. Protect from excessive heat or cold. Triple-rinse and dispose of container in accordance with local, state, and federal regulations.

CONDITIONS OF SALE: Seller warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risks of use, storage, and handling of this material not in strict accordance with directions given herewith. In no case is Seller liable for consequential, special, or indirect damages resulting from the use or handling of this product. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at Seller's option, as full discharge of Seller's liability. No one is authorized to make any other warranty, guarantee, or directions concerning this product, and no such warranties, guarantees, or directions shall be valid or binding upon Seller.

FREEZING TEMPERATURE: 32° Fahrenheit (protect from freezing)
